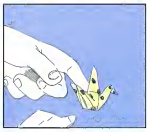
What are you doing, Young Seol?

What are those candles for?



Paper cranes...
She folded them with comely sensuousness.

What is this, kissing ball?

Did you fold them?

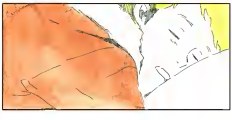
Look at that guy.

He's really bad at it.



I'm hungry...

Honestly.

Don't you recognize me too?

A little?

Why did you come here?
Ah... I had business to take care of somewhere near here.
I heard that you have outdoor lessons after school today.

I was a little surprised.
My friends are here... so...

If it's something important, you should tell me in front.
Do we even talk when we're at home?

You lock your door.
And you don't show up. I don't even know if you're dove or dead.

Isn't that... obvious?

Obvious?
What is?
If you were me, when a stranger is filling all the space at the living room.
Would you be comfortable with opening the door widely?

A stranger?
Yoon Ji, you're being rude
Honestly, there's no way I believe that you're my father's friend!

I've never seen your face when my father was alive.

Not even at the funeral!

Seriously, who are you?!

You're so rude!
Shi Siap

Who do you think gives you all this money?
Who pays your school fees, huh?

Is that your attitude,
Towards your savior?!

Then... get out.

I don't need... that money.

Are you here?
We're not stupid.
You want me to smile and thank you for stuff?

No... I will always doubt you.

I don't know what you're planning.

Are you being connected because you helped us a little?
Why are you f*cking trying to be friendly?

You suck...

Sfx. Sharp

Ugh... My body feels warmer...
